Purchase certificates in the amount of \$1,750 must be used in the purchase of a **breeding beef heifer** or a **market steer** approved by the CEA or AST. Heifers must be born between Jan. 1, 2022 and April 30, 2023.

All steers must be validated through the TX 4-H and FFA steer validation program by June 30, 2023 and the electronic identification number must be entered in the "Animal Details" section of the monthly reporting system on or before August 1, 2023. Steers may be any breed of beef cattle. **Exhibitors who fail to submit their scramble steers validation electronic identification number by the deadline will be subject to disqualification.**

All heifers must be validated through the TX 4-H and FFA Heifer Validation System. Heifer validation will include online registration paper uploading and a physical validation with a county validation committee which will include DNA hair sampling. The deadline for heifer validation is November 1, 2023, exhibitors should contact their County Extension Agent or Agricultural Science Teacher for local / county deadlines. **Exhibitors who fail to validate their scramble heifer by the deadline will be subject to disqualification.**

2. The calf must be an FFA or 4-H project. The winner **MUST** return to the 2024 Houston Livestock Show and Rodeo and show the calf in the Scramble Beef Heifer Show or Scramble Steer Show. Steer projects may not be entered in any show prior to the 2024 Houston Livestock Show and Rodeo that requires the winning animals to be sold at auction. Scramble steer exhibitors are encouraged to enter the Junior Market Steer Show but are only allowed one entry into the Junior Market Steer Show and it must be their Scramble Steer. Scramble heifer exhibitors are encouraged to enter the Junior Breeding Beef Heifer Show but are only allowed one entry into the Junior Breeding Beef Heifer Show and it must be their Scramble Heifer. Appropriate entry materials must be submitted through the exhibitor's club or chapter by Dec. 1, 2023 for the exhibitor to show in the 2024 Junior Livestock Show.
3. Payment on scramble heifer certificates will be made to the seller after the completed purchase certificate and the original, transferred registration paper are received in the Scramble Office. Payment on steer certificates will be made to the seller after the completed purchase certificate is received in the Scramble Office. The original scramble certificate must be signed by the supervisor, seller, parent, and student. Payment will be delayed if documentation is incomplete.
4. All correspondence, including certificate and registration papers, should be sent to:
Houston Livestock Show and Rodeo
Attn: Calf Scramble Office
NRG Center

Houston, TX 77054
5. Winners cannot purchase animals from themselves, immediate family members (mother, father, brother, sister, sister-in-law, brother-in-law, grandfather, grandmother, stepfather, stepmother, half-brother, half-sister, niece, nephew, aunt, uncle, cousin) or their ranches (family ranches or partnerships), their 4-H/FFA advisor or 4-H club/FFA chapter. Winners may not purchase heifers that have been previously exhibited through any Calf Scramble program. Payments will not be issued to 4-H Clubs, FFA Chapters, students, parents or supervisors.
6. Winners cannot purchase a calf that they have previously shown at the Houston Livestock Show and Rodeo in any given year or any calf that has previously been recorded in their name or in an immediate family member's name. Winners cannot purchase a calf that was previously shown as a Houston Livestock Show and Rodeo Scramble calf.
7. If a calf is purchased for less than the \$1,750 certificate amount, the seller will be issued a check for only the actual purchase amount.
8. Heifer Certificates may be combined with certificates awarded from other stock shows occurring between Jul. 1, 2022 and Mar. 31, 2023 as long as the animal is brought back to the Houston Livestock Show in 2024. If a combination of certificates is being used, the original transferred registration papers must be sent to the Show that is earliest in the calendar year. The first Show will make copies of the original transferred registration papers and then forward the original transferred registration papers to the later Shows. The last Show of the calendar year will receive and hold the original transferred registration papers and forward the original transferred registration papers to the winner/exhibitor upon completion of the project at all of the Shows involved.
9. Scramble steer and heifer substitutions will only be allowed at the discretion of Show Management. Furthermore, scramble heifer substitutions will only be allowed if the original registration paper of the substitute heifer (solely in the name of the respective scramble exhibitor on or before Nov. 1, 2023) is received by the Scramble Office on or before the December 1st deadline. Show Management must be notified immediately of any potential substitutions.
10. Winners who fail to fulfill their obligations as stated in these rules may have their Calf Scramble Certificates revoked, will be required to repay the certificate value to the Houston Livestock Show and will be required to provide a letter of explanation to the donor and the Scramble Office. Failure to comply with these rules could also result in forfeiture of Calf Scramble entries for one year for that club/chapter. If repayment is not made within 30 days of the 2024 Show, HLSR reserves the right to repossess the scramble heifer or steer and revoke invitations to participate in future Houston Livestock Shows. Winners who are ineligible to show at the 2024 Houston Livestock Show and Rodeo Scramble Steer or Scramble Beef Heifer Shows will be required to re-pay the certificate value to the Houston Livestock Show and Rodeo.
11. Scramble Certificate winners who initially accept and then decline their Scramble Certificate, may be barred from exhibiting/participating in future HLSR competitions/shows. This is at the discretion of Show Management.
12. Failure to submit three (3) or more monthly reports to the donor and Scramble Office during the course of the year-long project will make the exhibitor ineligible for the remaining \$500 received upon completion of the 2024 Show.

- Thank-you letter is to be mailed to your donor no later than May 31.
- Submit a copy by e-mail to the Calf Scramble Office by May 31.

2. Monthly Reports submitted through the Scramble Reporting System

- Your monthly report consists of correspondence, pictures and expenses that occurred the previous month. You will write a report to your donor updating them on your project.
- Must be completed through the online reporting system **ONLY** (instructions on page 26). Do not mail or e-mail a copy to the Scramble Office. Submitting through the online reporting system will automatically send your monthly report to your donor, the Calf Scramble Office, your AST/CEA, and your Greeter.
- Monthly reports are due by the 10th of every month for the previous month. Ex: May report is due no later than June 10th. Please **do not** wait until the night of the 10th to submit your report as many other scramblers will do the same and the system may experience difficulties processing your report upload. **If you do not submit a report every month, you may become ineligible for the completion bonus.**
- It is **YOUR** responsibility to upload your reports each month to ensure that your donor, the Calf Scramble Office, and your AST/CEA receive a report.
- Reports are due even if you have not purchased your animal or if no expenses are incurred for the current month. Your donor still wants to hear from you regarding any progress made from the beginning of your project.
- If you do not have a personal computer, it is your responsibility to find one to ensure your reports are submitted every month. If you need assistance locating resources, please contact your AST/CEA or your Calf Scramble Greeter.
- **The first report is due June 10 for the month of May**
- The last report is due Feb. 10 for the month of January.

The online reporting system will only allow you to submit the current month's report between the 11th of the current month to the 10th of the following month (ex: May report will be available to submit between May 11 and June 10). The reporting system automatically moves to the next month at midnight. If you do not submit by midnight on the 10th, you have missed the window for submitting.
- You are required to make sure that your reports, expenses and pictures are uploaded each month. Once you have submitted, log out and then log back in to make sure your report, pictures and expenses have uploaded for the month. You must go to the "Summary" tab and choose each month separately to see what you have uploaded.

RETURNING TO THE 2024 SHOW

- The Calf Scramble participant's AST/CEA is responsible for submitting the Scramble, Junior Breeding Beef or Junior Market Steer show entries online prior to the December 1st deadline. Calf Scramble participants are required to be entered in the Scramble Heifer or Scramble Steer Show. It is optional, but strongly encouraged, that Calf Scramble participants enter the Junior Breeding Beef Heifer Show or Junior Market Steer Show with their scramble animal. CEA/AST must submit this entry online through the Junior Show Online Entry System by December 1st, 2023.
- Calf Scramble participants are only allowed to bring their scramble heifer/steer to the 2024 Houston Livestock Show and Rodeo. If they enter the Junior Breeding Beef Heifer Show, Calf Scramble participants **must** show their scramble heifer in that show. If they enter the Junior Market Steer Show, Calf Scramble participants **must** show their scramble steer in that show. **If you do not return with your designated Scramble heifer or steer for any reason, you may not enter a different steer or heifer in the subsequent Junior Show.**
- **Please review the rules in the HLSR Exhibitor Handbook at www.hlsr.com for exhibiting the Scramble heifer or Scramble steer at the Houston Livestock Show™. These rules will be strictly adhered to.**
 - All heifers must be validated through the Texas 4-H and FFA Heifer validation program and should have a clearly legible permanent tattoo or fire/freeze brand that **matches exactly** to the permanent identification referenced on the heifer's registration papers. Please verify this before coming to the show as tattoos can fade over time. Heifers with an incorrect or illegible tattoo/brand will be disqualified from the show.
 - All steers should have a Texas state validation tag. The tag number in the steer **must match** the tag number submitted to the Calf Scramble Office. If the tag was lost and has been replaced, be sure the new tag number and a copy of the official tag replacement form has been submitted to the Calf Scramble Office.
 - Stall space is very tight at the show and there is no room for excessive tack or large show boxes. Bring only necessary items with you. **Large show boxes and upright dolly boxes will not be allowed in the stalls. If the show box is larger than the allotted stall space or if excessive feed or tack is brought to the show, it may be moved at the discretion of the Show Superintendent or Show Management.**
- There is not a fee for the Scramble Heifer or Steer Show. The Junior Breeding Beef Heifer Show and Junior Market Steer Show have an entry fee. Calf Scramble participant's CEA/AST must enter the animal in these shows if Calf Scramble participant wishes to participate. Please refer to the HLSR Exhibitor Handbook for fees, dates, and questions regarding the 2024 Scramble Heifer and Steer Show or the Junior Breeding Beef or Junior Market Steer Show.
- Stalling: To stall together at Houston, groups **MUST** arrive and remain in line together at Airport Blvd. **NO** assignments will be made for heifers/steers that are coming later. Heifers/steers will be counted on the trailers. The first three rows of cattle stalls on the north side of the barn (rows nearest to the dock and wash racks) will be assigned to those exhibitors arriving first. Once these three rows are assigned, assignments will be given starting on the far end of the stalls (closest to commercial exhibits) and will work back towards the dock.
- Eligibility: 4-H and FFA members are considered to be eligible by the Houston Livestock Show and Rodeo for participation in the Junior Livestock Show at the time entry applications are received from the AST/CEA. Any AST/CEA who has a member who becomes ineligible to participate, for any reason, must provide written and signed notification to the Calf Scramble Office at least 24 hours prior to the commencement of any Junior Show activity in which the ineligible exhibitor was to participate. **If an exhibitor is determined ineligible, then the entry is ineligible resulting in repayment of certificate amount (maximum of \$1750).**
- All Scramble Heifers or Steers **must** be exhibited by the certificate recipient. Substitute exhibitors will only be allowed at the discretion of Show management. Official written notification must be provided to the Calf Scramble Office at least 24 hours prior to heifer/steer arrival. If a substitute exhibitor is allowed by Show management, the substitute showman must be from the same county as the original exhibitor. The substitute exhibitor also must meet all requirements of a Junior Livestock Show exhibitor and an official substitute exhibitor form must be filled out and turned in to the Livestock/Superintendent's Office before the closing of Scramble Heifer and Scramble Steer Show check-in.

SPECIAL RULES AND INFORMATION

- In the event that a scramble calf is lost, injured, becomes ill or dies, the Calf Scramble Office must be contacted **immediately** (by phone or e-mail) by either the scrambler, scramble parent or supervising CEA/AST. Depending on the situation, the following may be required:
 - Official letter from a veterinarian/health records
 - Photos of the animal showing injury/death
 - Letter from scrambler, scramble parent and/or CEA/AST
 - Inspection of the animal by Show management

If the Calf Scramble Office is not contacted **immediately** following the death of a scramble calf, the scrambler may be required to repay the \$1750 value of the purchase certificate regardless of the circumstances surrounding the death of the animal.

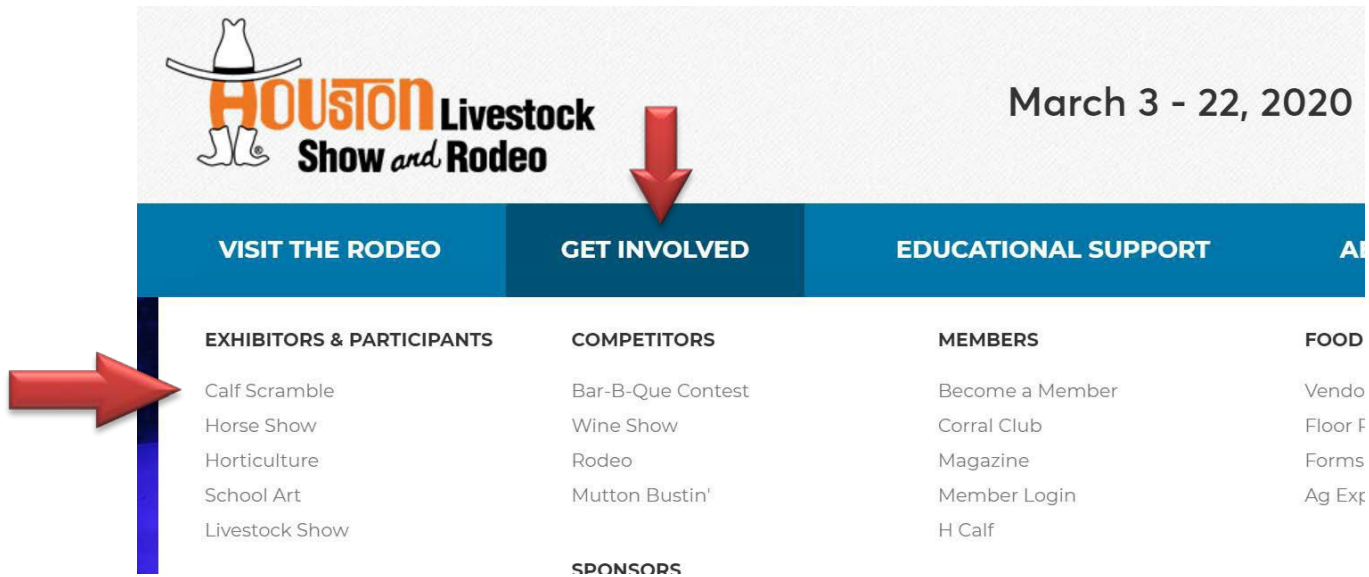

In the event that false information is presented in regard to the health/status of a scramble calf, the scrambler, scrambler's family, CEA/AST and/or club/chapter may face sanctions for future participation in HLSR competitions and events.

- Calf Scramble steers are required to return to the 2024 Houston Livestock Show. Steer projects may NOT be entered in any show prior to the 2024 Houston Livestock Show and Rodeo that requires the winning animals to be sold at auction. In the event that the designated Calf Scramble steer is sold at another show prior to the 2024 Houston Livestock Show, the scrambler, scrambler's family, CEA/AST and/or club/chapter may face sanctions for future participation in HLSR competitions and events.
- Winners who fail to fulfill their obligations as stated in these rules may have their Calf Scramble Certificates revoked, will be required to repay the certificate value to the Houston Livestock Show, will be required to provide a letter of explanation to the donor and the Scramble Office and could be disqualified from any junior show competition.

- Then, write a brief note as the body of the email and answer the question concerning contact with a Calf Scramble Greeter committee person.

Photos:

- You may upload up to 3 photos each month.
- Attach from 0 to 3 photos each month by following the same process as the correspondence.

Expenses:

- Enter each expense, quantity and unit cost, then click **Add Expense**. You may add expenses throughout the month. If you have no expenses, you may enter "0".

You must click **Submit Monthly Report** at the bottom of the page after you have entered expenses, report and photos. Clicking this button will send the brief note along with your monthly report, photos and expenses attached via e-mail to your donor, AST/CEA, your greeter, and your personal email address. **PLEASE NOTE THAT ONCE YOU HIT SUBMIT, NO CHANGES CAN BE MADE.**

The current month's reporting period will be available from the 11th of the current month to the 10th of the following month (Ex: June report is due July 10th; it will be available for entry from June 11 to July 10.)
